

FUN ABACUS FOR K2 – INTRODUCTORY CLASS

Course Features

Abacus is an ancient tool used for Mathematical calculation in various parts of the world for a few thousand years, long before modern calculators were invented.

Children using an Abacus can develop mental arithmetic skills, improve concentration, cultivate numerical sense through a multisensory learning experience, have a head start in Primary 1 Maths.

The lessons will be conducted in Mandarin by an experienced Taiwanese teacher who has taught Abacus for over a decade.

Format

Lessons are conducted in modular format, each module of 4 lessons

Recommended Age

Suitable for K2 children to prepare them for a headstart in primary school Maths

Class Time

1 hour, every Saturday afternoon starting from July 2025

Fees

\$S120 for 4 lessons
